

Fundraiser for Robbie

April 12, 2014

In support of Robbie Miotto and Family

Robbie Miotto is a 2011 graduate of H. Frank Carey HS where he excelled both scholastically and athletically. On February 22, 2014 he sustained devastating head trauma and remains in critical condition. At this time we are asking the community to pull together for a fundraiser to assist the Miotto family during this trying time.
